

MICHIGAN STATE UNIVERSITY

Department of Intercollegiate Athletics

Are you ready to join an award winning turf team at Michigan State University?
We are currently accepting applications for student positions to start in summer 2017.

Position Overview

The student will assist in the care and maintenance of designated athletic campus areas, athletic facilities, landscaping and general grounds in those areas.

Responsibilities

- Provide care and maintenance of designated campus athletic areas – football fields and facilities, baseball fields, softball field, indoor hitting and pitching facility, indoor football practice facility, varsity golf facility, soccer, general ground and landscaping in those areas
- Assist in the event field preparation for baseball, softball, soccer, and football
- Move, set up and repair various portable athletic equipment
- Clean designated athletic facilities and areas before and after events
- Provide care and cleaning of tools, equipment, materials, and supplies

Related Duties

- Assist in field and landscape projects
- Learn organizational skills and proper time management
- Operate equipment for the maintenance of athletic grounds areas

Minimum Qualifications

- Willingness to learn working knowledge of the tools, methods, and materials used in grounds maintenance and landscaping.
- Enrolled in MSU as a student or graduate student.
- Preferred 1 years of golf course or athletic field work experience but not necessary.
- Possession of a valid vehicle operator's license.
- Frequent lifting of 26 to 75 pounds and occasional lifting of over 75 pounds is required.

How to Apply

Send your resume and two professional references to Amy J. Fouty, Athletic Turf Manager, CSFM at fouty@ath.msu.edu
