Course Information

Birmingham Country Club is a private club with eighteen holes that was established in 1916 and designed by Tom Bendelow. BCC has recently acquired Hepner Golf Design as the consulting golf course architect and we are currently working on a plan to improve the golf course in the coming years. Future projects to include: Bunker renovation, green reconstruction, irrigation improvements, and new maintenance facility. We are a high energy, determined team that is committed to make BCC the best conditioned golf course in Southeast Michigan. We are looking for an individual who will work hard every day to help us achieve our goals.
