

Intern Posting – Olympic Hills Golf Club

Olympic Hills Golf Club is an 18-hole private golf club established in 1969. The course is located in the Eden Prairie MN, just south of Minneapolis. Originally a Charles Maddox design, the course is currently undergoing a multi-million dollar renovation led by architect Ron Prichard. The scope of the renovation includes construction of 20 new USGA greens, all new teeing surfaces, regrassing of fairways and roughs, installation of a herringbone irrigation system using HDPE pipe, and a complete installation of a new drainage system. The goal of the renovation is to have a classically designed golf course that is capable of hosting national events.

Interns will be involved in all aspects of golf course construction including:

- Seed bed preparation
- Seeding of greens, tees, fairways and roughs
- Water management of a grow-in
- Irrigation management – head adjustments, programming, etc.
- Application of fertilizers and pesticides
- Topdressing
- Hand watering
- Disease identification

Interns will work with the golf course superintendent and assistants daily. Interns will have a rare opportunity to be involved with a golf course renovation and gain experience that will set them apart from their peers.

Salary: \$10/Hour plus overtime. Anticipate a minimum of 60 hour weeks once planting begins.

Educational Requirements: Enrolled and working toward a degree or certificate in Turfgrass Management or a related field of study.

Experience Requirements: 2-4 years of golf course experience desired. Ability to obtain a Minnesota Pesticide Applicator's License.

Benefits: Meals and uniform.
