

Grounds Intern Position Opening
Wisconsin Timber Rattlers
Single A Affiliate of The Milwaukee Brewers
Neuroscience Group Field
Appleton, WI

Facility & Organization:

Neuroscience Group Field at Fox Cities Stadium is the home of the Wisconsin Timber Rattlers. The stadium is the host to 70 Timber Rattlers Games, Division III College World Series, Wisconsin State Baseball Tournament, numerous high school games and several other events.

Job Description:

This is a full time seasonal position. Exact dates are flexible depending on school schedule. Duties include but are not limited to; preparing the infield skin, mound, plate, and bullpens, assisting in tarp pulls, setting up and tearing down batting practice, pre-game field preparation, as well as all aspects of turf maintenance including: edging, sodding, fertilizing, aerating, mowing in patterns, and irrigation repair and maintenance.

Requirements:

Candidates must have an interest in sports field maintenance. Enrolled in or recent Graduation from a two or four year turf grass, agronomy, horticulture, or soil science program is preferred, but not required. Baseball field maintenance experience at any level is preferred, but not required.

- Individuals must be able to:
- Work long hours.
- Must be able to lift 50 lbs. and stand for long periods of time.
- Work in various weather conditions.
- Highly motivated, willing to learn, and ability to follow directions.

Compensation:

This is a salaried position with compensation based on experience. No housing provided. Food Stipend included.

To Apply:
