

North Shore Country Club is a 27 hole private club located in the Mequon Wisconsin. A Ron Forse master plan renovation has been started and is expected to be completed in the near future. We are seeking an energetic person to fill the position of Assistant Superintendent.

As a key member of the North Shore Country Club's maintenance team, the Assistant Superintendent reports directly to the Golf Course Superintendent and assists with the day-to-day oversight of the maintenance and agronomic practices of the golf course including clubhouse landscaping and maintenance complex.

- The Assistant Superintendent serves in all capacities of the Golf Course Superintendent during his absence.
- Assist the Golf Course Superintendent in the planning, layout and maintenance of golf course property and in the supervision of the maintenance team.
- A primary responsibility of this position will be to ensure the proper application and handling of all chemicals and fertilizers.
- Monitor daily moisture levels and correct as needed.
- Report to work on time and complete all scheduled shifts.
- Able to work weekends and on any given day may be required to work beyond scheduled shift.
- Assist other departments as needed.
- Tour golf course and practice areas daily to assess course conditions.
- Train personnel in correct and safe methods and procedures to accomplish their assignments.
- Establish a good rapport with fellow team members and project a positive attitude.
- Lead by example and participate in manual labor as needed or required.
- Interact with the golf shop staff as it relates to daily play, special events and maintenance activities.
- Communicate proficiently with other department employees, supervisors and members using clear and professional language.
- Have basic personal computer skills including Excel spreadsheets, Word programs.
- Bilingual (English - Spanish) communication ability preferred

Compensation: Salary \$35-45 K, Simple IRA w/match, health and dental, uniforms, and golf.
