

# Seattle Golf Club

## **Position: Turf Intern**

**Education Requirements:** Completed or in the process of completing a two or four-year degree in turf management preferred. A Summer internship or previous experience at a private facility is helpful.

**Experience Requirements:** Qualified individuals will have at least two years' experience on a golf course staff, as well as a positive attitude and willingness to learn. Candidate must be able to lift 75 lbs. and should have interest in playing the game of golf.

**Special Requirements:** Looking for motivated individuals who want to learn ALL aspects of golf course management. The individual must possess good integrity, solid work ethic and strong desire to learn in a private course setting. Individual will work closely with the Superintendent and Assistants to be trained and involved in all aspects of our operation; including irrigation/drainage repair, hand watering practices, fertilizer/pesticide calibration and application, safety and operation of a broad spectrum of equipment. The position will perform normal standard golf course duties, as well as being part of small group projects as part of training to prepare them for the next step in the industry. This person will work alongside the Irrigation Technician, Spray Technician, Mechanic and Superintendents to learn and observe every aspect of our golf operation on a daily basis. This is an excellent opportunity for a motivated individual to learn, network and further progress their career.

**Comments:** Seattle Golf Club is an 18-hole private club in North Seattle. The club was established in 1900 and has tradition of hosting prestigious amateur competitions such as the US Amateur, US Senior Amateur, Walker Cup, Pacific Coast Amateur and PAC 12 Championship. A nine-month internship is preferred, but we are willing to be flexible depending on your school schedule.

**Date Available:** January 1<sup>st</sup> 2017

**Salary Range:** \$15/hr.

**Benefits:** Housing, golfing privileges, overtime opportunity, and pro shop discount.
